

**Ministry of Education, Tertiary Education, Science and Technology**

**Communiqué**

**The Licensing of Recruiting Agents for Overseas Educational and Training Institutions Act 2006**

Responsible parties and prospective students are hereby informed that they should ensure programme/s enrolled in an overseas educational and training institution through a local recruiting agent have been recognized by the relevant authorities in Mauritius.

Prospective students wishing to enroll on professional courses abroad through a recruiting agent, should ensure that approval from appropriate professional bodies in Mauritius has been obtained for professional practice prior to embarking on such courses.

The Ministry further recommends that responsible parties and prospective students ensure that recruiting agents contacted are registered and duly licensed by the Ministry.

The Ministry's website <https://education.govmu.org/SitePages/Index.aspx> may be consulted accordingly for the list of licensed recruiting agents.
